Period of Cover

Fine2Dine's Edge Chip Warranty is valid for a period of 2 years from the date of the original invoice, while the product is in use.

Products Covered

This warranty applies exclusively to the following collections and their respective products: Ceres, Line, Nova, Oxido, Usko, and Volta. Covered products only include round/oval plates, round/oval bowls, round cups, and round saucers from the mentioned collections.

Warranty Terms & Conditions

This Edge Chip Warranty is applicable only to businesses operating in the hospitality and food service sectors. It explicitly excludes domestic use and products sold in retail settings.

The warranty specifically covers edge chipping incidents. Other types of breakages, including chips, cracks, or breakages to handles, lugs, or knobs on cups, mugs, and jugs, are not covered.

This warranty extends to the collections and products supplied as part of the original order and subsequent replenishment orders under the terms outlined here.

The warranty is valid for the original customer at the location specified on the warranty registration form. It applies under normal food service conditions, encompassing refrigeration, serving, washing, and secure storage. Use in ovens or under grills is not covered.

The approval of warranty claims rests solely with Fine2Dine. The warranty is contingent upon correct and complete filling out of the registration form. Any errors in the required information will render the Edge Chip Warranty void.

Registration

The warranty registration form must be completed within 45 days from the date of the original invoice. Only correctly completed registration forms make the Edge Chip Warranty applicable. Access the registration form here: www.fine2dine.com/en/chip-warranty

Reactive Glaze 

Binded by similarity,
distinguished by uniqueness.

Reactive glaze

Most of our ranges are finished by hand, using a reactive glaze. Thanks to this glazing process, no two pieces are alike. Random patterns and color variations emerge, resulting in truly unique pieces that still belong to the same family, with all items in that family perfectly matching each other.

its own unique pattern, with an infinite number of possible shapes. The same principle applies to our tableware finished with reactive glaze. You'll never find two exact copies, but within the same collection, they all share a common aesthetic.

You can compare the effect of reactive glazes to snowflakes. No matter how many billions fall from the sky, no two are ever alike. Each snowflake has

Curvo

Strong round and bulky shapes

The diversity of the human body and the social movement about body positivity have been an incredible source of inspiration for the creation of the Curvo collection. Just like the movement, Fine2Dine aims to challenge the established beauty standards. Instead of fine lines and elegant slim forms, Curvo features strong round and bulky shapes in combination with earthy colors. The sturdy porcelain tableware items will add a chunky flair to your table.

Filo

Sophisticated and adventurous

Filo delights with its elegant porcelain, offered in two refined colours: off-white and opal. What truly distinguishes the Filo collection is its robust and distinctive edge finishes on bowls, serving dishes, and plates. These rugged edges bring a unique character to your presentation, reflecting the sturdy allure reminiscent of mountainous landscapes.

Nova

An artist's painting

Immerse yourself in the canvas of an artist with Nova. This porcelain tableware collection commands attention with its distinctive shades of blue and brown. Each piece features a unique hue, varying in intensity between blue and brown due to the reactive glazing process during production. This ensures that while no two products are identical, they harmoniously complement each other, fostering a dynamic table arrangement. Crafted from high-quality porcelain, Nova guarantees durability and resilience. Infuse vibrancy into your dining experience with Nova's vivid colours, elevating every dish with cheerfulness and charm.

Apero

Did someone say apero time?

Fine2Dine has united its bestselling collections Ceres, Nova and Usko into a complementary aperitif range consisting of several sophisticated plates, serving dishes and bowls.

Moreover, these durable and high-quality porcelain products are finished with a reactive glaze, making each item unique. This allows all these items to be perfectly combined. In short, this apero collection is undoubtedly a must-have for any festive occasion.
